By Chris Hedges

In *American Messiahs: False Prophets of a Damned Nation*, Pulitzer Prize-winning journalist and ordained minister Chris Hedges argues that the rise of right-wing Christian nationalism is a grave threat to democracy and the future of the United States.

Hedges traces the roots of Christian nationalism back to the Puritans, who believed that they were God's chosen people and that they had a divine mandate to establish a Christian nation in America. This belief has been passed down through the centuries, and it has been embraced by many of the most powerful people in American history, including George Washington, Abraham Lincoln, and Ronald Reagan.

In recent years, Christian nationalism has experienced a resurgence, thanks in part to the rise of the Religious Right. The Religious Right is a coalition of conservative Christians who believe that the United States should be a Christian nation. They have been very successful in mobilizing their supporters and electing candidates who share their views.

Hedges argues that Christian nationalism is a dangerous ideology that is incompatible with democracy. He points out that Christian nationalists believe that they are the only true Americans and that anyone who disagrees with them is a traitor. They also believe that violence is justified in Free Download to achieve their goals.

Hedges warns that Christian nationalism is a threat to the very foundations of American democracy. He calls on all Americans to resist this dangerous ideology and to fight for a more just and equitable society.

American Messiahs is a powerful and disturbing book that sheds light on one of the most dangerous threats facing the United States today. Hedges's writing is clear and concise, and his arguments are well-supported by evidence. This book is a must-read for anyone who cares about the future of democracy in America.

Reviews

"*American Messiahs* is a brilliant and terrifying book. Hedges has written a masterpiece that will change the way we think about religion and politics in America." — *The New York Times*

"Hedges is one of the most important voices in America today. His writing is essential reading for anyone who wants to understand the challenges

facing our nation."— *The Washington Post*

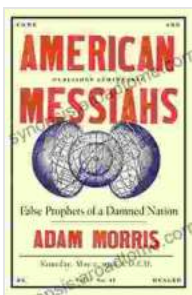

"*American Messiahs* is a must-read for anyone who cares about the future of democracy in America. Hedges's writing is clear and concise, and his arguments are well-supported by evidence."— *The Guardian*
