

# An Encyclopedia of Tolkien: The Ultimate Guide to Middle-earth and Beyond

J.R.R. Tolkien is one of the most influential and beloved authors of the 20th century. His works, including *The Hobbit* and *The Lord of the Rings*, have captivated generations of readers with their rich characters, epic storylines, and timeless themes. Now, for the first time, there is a comprehensive and up-to-date guide to Tolkien's vast and complex world.

An Encyclopedia of Tolkien is the most authoritative and comprehensive reference work on Tolkien's Middle-earth universe ever published. This essential volume provides detailed entries on every character, place, and event in Tolkien's Middle-earth universe, as well as in-depth analysis of his major themes and ideas.
