That's the premise of Emily Dickinson's new book, *Awesome Is Everywhere*. Through vivid prose and stunning photography, Dickinson shows us how to see the world with new eyes, and how to find inspiration and joy in the seemingly ordinary.

Dickinson's book is divided into four chapters, each of which focuses on a different aspect of the world around us. In the first chapter, "The Beauty of Nature," Dickinson takes us on a journey through the natural world, from towering mountains to crashing waves. She shows us how to find beauty in the details, and how to appreciate the interconnectedness of all living things.

In the second chapter, "The Wonder of Everyday Life," Dickinson turns her attention to the everyday world. She shows us how to find beauty in the ordinary moments of our lives, from the morning sunrise to the evening stars. She teaches us how to slow down and savor the present moment, and how to find joy in the simple things.

In the third chapter, "The Power of Human Connection," Dickinson explores the importance of human relationships. She shows us how to connect with others on a deeper level, and how to build strong and lasting relationships. She teaches us how to be kind and compassionate, and how to make a difference in the world.

In the fourth and final chapter, "The Path to Fulfillment," Dickinson shares her thoughts on how to live a happy and fulfilling life. She shows us how to set goals and achieve our dreams, and how to find our purpose in life. She teaches us how to be grateful for what we have, and how to live each day to the fullest.

Awesome Is Everywhere is a beautiful and inspiring book that will change the way you see the world. It is a book that will help you find beauty and wonder in the everyday, and it will help you live a more happy and fulfilling life.
