Deckology is the ultimate guide to deck finishing carpentry. This comprehensive book covers everything from choosing the right materials to building and finishing a deck that will last for years to come. With over 300 pages of detailed instructions and over 1,000 photos, Deckology is the only book you'll need to build the perfect deck for your home.

## **What's Inside Deckology?**

Deckology is divided into three parts:

- **Part 1: Choosing the Right Materials**
- **Part 2: Building the Deck**
- **Part 3: Finishing the Deck**

Part 1 covers everything you need to know about choosing the right materials for your deck. You'll learn about the different types of decking materials available, as well as the pros and cons of each type. You'll also learn how to choose the right fasteners and hardware for your deck.

Part 2 covers the step-by-step process of building a deck. You'll learn how to lay out the deck, build the frame, install the decking, and finish the deck

with railings and stairs. You'll also learn how to troubleshoot common problems that can occur during deck construction.

Part 3 covers the finishing touches that will make your deck look its best. You'll learn how to stain or paint your deck, add lighting, and install accessories like benches and planters. You'll also learn how to maintain your deck so that it will last for years to come.

## **Why Choose Deckology?**

There are many reasons why you should choose Deckology as your guide to deck finishing carpentry.

- **Comprehensive:** Deckology covers everything you need to know about deck finishing carpentry, from choosing the right materials to building and finishing a deck that will last for years to come.
