From the playful sea otters and majestic eagles to the gentle whales and curious wolves, each letter of the alphabet represents a different animal that calls the West Coast home. The vibrant illustrations, filled with intricate details and lifelike colors, bring these animals to life and foster a deep appreciation for the natural world.

With its accessible language and educational content, West Coast Wild ABC is not only a delightful read but also a valuable tool for fostering curiosity about wildlife and the importance of conservation.

About the Author and Illustrator

Deborah Hodge

Deborah Hodge is an award-winning children's book author with a passion for nature and wildlife education. She has written numerous acclaimed books, including the popular "Nature's ABC" series. Deborah's deep knowledge of the Pacific Northwest and her dedication to inspiring young readers shine through in her engaging and informative writing.

Amy Schimler-Safford

Amy Schimler-Safford is an accomplished illustrator whose exquisite artwork has graced the pages of numerous children's books. Her vibrant and detailed illustrations capture the beauty and wonder of the natural world, bringing the animals of West Coast Wild ABC to life with remarkable realism.
