## About the Book

Religion and spirituality are important aspects of life for many people. They can provide meaning, purpose, and support, and they can also influence our thoughts, feelings, and behaviors. For social work professionals, it is important to understand the role that religion and spirituality can play in the lives of their clients. This book provides a comprehensive overview of religion and spirituality in social work practice and research.

The book is divided into three parts. The first part provides an overview of religion and spirituality, including their definitions, history, and major traditions. The second part explores the role of religion and spirituality in social work practice, including how to assess clients' religious and spiritual beliefs and how to incorporate these beliefs into treatment planning. The third part examines the role of religion and spirituality in social work research, including how to design and conduct research on religion and spirituality and how to use research findings to inform practice.

## Key Features

- Provides a comprehensive overview of religion and spirituality in social work practice and research

- Written by leading scholars and practitioners in the field
- Offers practical guidance on how to assess clients' religious and spiritual beliefs and how to incorporate these beliefs into treatment planning
