The history of caring for troubled children in America is a complex and often heartbreaking one. From the early days of orphanages to the modern-day foster care and juvenile justice systems, the challenges faced by these children have been immense. But throughout history, there have also been countless individuals who have dedicated their lives to providing these children with a safe and loving environment.

This book tells the story of these children and the people who have cared for them. It is a story of resilience, compassion, and hope. It is a story that will challenge our assumptions and inspire us to do more to help those who are struggling.

The book is divided into four parts. The first part provides a historical overview of the care of troubled children in America. The second part examines the challenges faced by these children, including abuse, neglect, and poverty. The third part discusses the different types of care that are available for troubled children, including foster care, adoption, and residential treatment. The fourth part profiles some of the people who have dedicated their lives to caring for troubled children.

This book is a valuable resource for anyone who is interested in the history of child welfare in America. It is also a moving and inspiring story that will stay with you long after you finish reading it.

Reviews

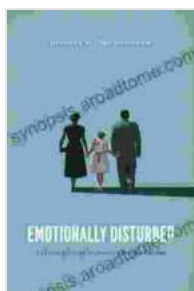

"This book is a powerful and important contribution to the literature on child welfare. It is a must-read for anyone who cares about the well-being of children." - **Dr. David Berkowitz, author of *The Foster Care Crisis***

"This book is a heartbreaking but ultimately hopeful account of the history of caring for troubled children in America. The author does an excellent job of bringing these children and their stories to life." - ***Publishers Weekly***

"This book is a must-read for anyone who works with troubled children. It is a valuable resource that will help you understand the challenges faced by these children and the different types of care that are available to them." - ***Child Welfare League of America***
