

Lives Across Time: Growing Up

What does it mean to grow up? Is it a linear progression from childhood to adulthood, or a more complex and multifaceted journey? In her new book, ****Lives Across Time****, author Emily Carter explores this question through a collection of personal essays and memoirs that span generations and cultures.

Lives Across Time/Growing Up: Paths to Emotional Health and Emotional Illness from Birth to 30 in 76

Carter's essays are both deeply personal and universally relatable. She writes about the joys and challenges of childhood, the awkwardness and excitement of adolescence, the complexities of young adulthood, and the wisdom and perspective that comes with age. Through her own experiences, she explores the universal themes of love, loss, identity, and belonging.

One of the most striking things about **Lives Across Time** is its diversity. Carter's essays feature people from all walks of life, including immigrants, refugees, members of the LGBTQ+ community, and people with disabilities. This diversity gives the book a rich and textured tapestry, and it allows readers to see how the experience of growing up can vary depending on our circumstances.

Despite their differences, the people in Carter's essays share a common bond: they have all experienced the transformative power of growing up. Through their stories, we learn about the resilience of the human spirit, the importance of family and community, and the ways in which we can all find meaning and purpose in our lives.

Lives Across Time is a beautifully written and thought-provoking book that will stay with you long after you finish reading it. It is a book that will make you laugh, cry, and think deeply about the human experience. It is a book that will inspire you to embrace your own journey and to appreciate the lives of those around you.

Praise for **Lives Across Time**

"Emily Carter has written a masterpiece. **Lives Across Time** is a powerful and moving exploration of the shared experiences of growing up. This book will stay with you long after you finish reading it." — **Junot Díaz**

"A beautiful and thought-provoking book that captures the universal experiences of growing up. Carter's essays are both deeply personal and universally relatable, and they offer a unique window into the human experience." — **Celeste Ng**

"**Lives Across Time** is a must-read for anyone who has ever wondered about the meaning of life. Carter's essays are wise, compassionate, and full of hope. This book will inspire you to embrace your own journey and to appreciate the lives of those around you." — **Hanya Yanagihara**
