In 2015, LI Anglin set out to run across the United States, from the Atlantic to the Pacific Ocean. He had no support crew, no sponsors, and no set itinerary. He ran through deserts, mountains, and cities, in all kinds of weather. He slept in his tent, under bridges, and in the homes of strangers. He ate whatever he could find, and often went hungry. But he never gave up.

LI's journey is a story of human endurance and perseverance. It is a story of the power of the mind to overcome physical challenges. It is a story of the kindness of strangers. And it is a story of the human spirit's ability to triumph over adversity.

LI Run Till The Sun Goes Down is a powerful and moving account of LI's journey. It is a book that will inspire you to never give up on your dreams, no matter how difficult they may seem.
