A twisted psychological thriller that will keep you on the edge of your seat from beginning to end.

Will Morro is a troubled young man with a history of mental illness. He has spent time in and out of psychiatric hospitals, and he has a hard time fitting in with society. When he meets a beautiful young woman named Laura, he thinks he has finally found someone who understands him. But Laura is not who she seems, and she soon draws Will into a dangerous web of lies and deceit.

As Will's mental state unravels, he begins to question everything he thought he knew. He is no longer sure who he can trust, and he fears for his own safety. With each passing day, Will's grip on reality becomes more tenuous, and he spirals deeper into a world of madness.

Nobody Believes Crazy Will Morro is a chilling and suspenseful thriller that will keep you guessing until the very end. Joseph Hansen has created a complex and unforgettable character in Will Morro, and he weaves a twisted tale that will haunt you long after you finish reading it.
