

School Refusal: Parent, Adolescent, and Child Training Skills

School refusal is a serious problem that can have a devastating impact on a child's life. It can lead to academic difficulties, social isolation, and even mental health problems. The good news is that school refusal is a treatable condition. With the right help, children can overcome school refusal and get back on track to success.

This book provides parents and professionals with the skills they need to help children overcome school refusal. The book is divided into three sections:

- **The first section** provides an overview of school refusal, including its causes, symptoms, and consequences.
- **The second section** provides parents and professionals with the skills they need to help children overcome school refusal. These skills

include:

- How to talk to children about school refusal
- How to set limits and expectations
- How to provide support and encouragement
- How to work with the school to develop a plan for the child
- **The third section** provides resources for parents and professionals, including websites, books, and organizations that can provide support and information.

This book is an essential resource for parents and professionals who are working to help children overcome school refusal. The book provides clear, concise, and practical advice that can help children get back on track to success.

Benefits of the Book

- Provides parents and professionals with the skills they need to help children overcome school refusal
- Is divided into three sections that provide an overview of school refusal, skills for parents and professionals, and resources
