Through meticulously researched accounts and insider interviews, Lipman meticulously uncovers the chilling strategies deployed by the CIA to neutralize its adversaries - from infiltration and sabotage to the chilling practice of "executive action," where targeted individuals were eliminated without due process.

Lipman's captivating narrative transports readers to the shadowy world of the intelligence community, where loyalties are constantly tested and moral

lines are blurred. The book delves into the recruitment and training of CIA operatives, who are transformed into skilled assassins, capable of carrying out deadly missions with clinical precision.

Lipman's investigation extends beyond the CIA's operations in remote corners of the world. He uncovers the agency's systematic targeting of domestic dissidents, a dark chapter in American history that has been largely ignored until now.

With each chilling revelation, Lipman exposes the extent to which the CIA has operated outside the bounds of legal and ethical norms. From the Congo to Vietnam, from Chile to Nicaragua, the CIA's trail of destruction spans decades and continents.

"Striking Terror" is not just a historical account; it's a call to action. Lipman urges readers to confront the uncomfortable truths about the CIA's past and present, and to demand accountability for the countless lives that have been lost in the name of national security.

This book is a must-read for anyone interested in the dark underbelly of the intelligence community. It's a gripping, deeply disturbing, and ultimately essential exposé that sheds light on one of the most disturbing and controversial aspects of modern history.

Denis Lipman has spent years investigating the CIA's clandestine activities. His groundbreaking work has earned him numerous awards and has been featured in major publications around the world. With "Striking Terror," Lipman has once again proven himself to be a fearless and determined investigative journalist, committed to uncovering the truth, no matter how disturbing it may be.
