About the Author

The Architect's Guide to Running a Practice is written by James Smith, a practicing architect with over 30 years of experience. Smith is the founder and principal of Smith Architecture, a successful architecture firm in San Francisco. He is a member of the American Institute of Architects and has served on the board of directors for the San Francisco chapter.

Testimonials

"The Architect's Guide to Running a Practice is an excellent resource for both new and experienced architects. Smith provides practical advice and guidance on all aspects of running an architecture practice, from starting a business to managing finances. I highly recommend this book to any architect who wants to build a successful practice."

- Michael Jones, AIA, Principal, Jones Architecture

"Smith's book is a must-read for any architect who wants to start or grow their own practice. He provides clear, concise, and actionable advice on everything from marketing to project management. I wish I had this book when I started my practice 10 years ago!"

- Jane Doe, AIA, Principal, Doe Architecture
