This book will teach you everything you need to know about planning spaces, selecting furniture and decor, and creating a cohesive and stylish home.

Chapter 1: Planning Spaces

The first step to interior design is planning your spaces. This involves determining the function of each room, the traffic flow, and the overall layout.

This chapter will cover the following topics:

- How to determine the function of each room
- How to create a traffic flow plan
- How to choose the right furniture and decor for each room
- How to create a cohesive and stylish home

Chapter 2: Selecting Furniture

Once you have planned your spaces, it's time to start selecting furniture. This can be a daunting task, but it's important to take your time and choose pieces that are both functional and stylish.

This chapter will cover the following topics:

- How to choose the right furniture for your needs
- How to find the best deals on furniture
- How to arrange furniture in a way that is both functional and stylish

Chapter 3: Selecting Decor

Once you have selected your furniture, it's time to start adding decor. This is where you can really personalize your space and make it your own.

This chapter will cover the following topics:

- How to choose the right decor for your home
- How to find the best deals on decor
- How to display decor in a way that is both stylish and functional

Chapter 4: Creating a Cohesive and Stylish Home

The final step to interior design is creating a cohesive and stylish home. This involves pulling all of the elements of your design together to create a space that is both beautiful and functional.

This chapter will cover the following topics:

- How to create a cohesive color scheme
- How to use lighting to create ambiance
- How to add personal touches to your home
