Nestled amidst the rolling hills of Central Texas, Austin is a city that defies easy definition. It's a vibrant metropolis with a thriving tech scene, a world-renowned music industry, and a culinary landscape that rivals any other. But what truly sets Austin apart is its enigmatic charm, a tapestry woven from the colorful threads of its people and places.

In *The People and Places That Keep Austin Strangely Wonderful*, author and longtime Austinian Eric Benson takes readers on an unforgettable journey through the heart and soul of this captivating city.

## **A Thriving Music Scene**

It's no exaggeration to say that music is the lifeblood of Austin. The city is home to a thriving live music scene, with venues of all sizes hosting everything from intimate singer-songwriter sets to raucous rock shows. Austin is also the birthplace of the legendary South by Southwest (SXSW) music festival, which brings together musicians, industry professionals, and music lovers from around the world.

Austin's culinary scene is as diverse and vibrant as the city itself. From world-class barbecue joints to award-winning fine dining establishments, there's something to satisfy every palate. Austin is also home to a thriving
